360U Softball is heading to West Depere High School for a day jam packed with mechanics, mental training techniques & all things softball! We will leave the athletes with **proven confidence building techniques** to take their game to the next level. As the name implies, these camps *help develop the 360° version of the athletes*. We tailor each camp to meet the specific needs of the athletes in attendance and we adapt our instruction to the various skill levels of those athletes. We keep our instructor to player ratio at 6:1 to ensure quality individualized attention.

Our all-star 360U Team of Instructors consists of all current and former top-level collegiate softball standout athletes & coaches from all around the Midwest. Our instructors bring a **high-energy, positive approach** to each and every athlete they encounter and **will share valuable insights** that can only be gained by experiencing the successes, failures and adversity that this sport presents!

- *360U tee shirts will be available for purchase before & after camp for \$15.00* ·
- *Please bring tennis shoes, bats, helmets, gloves!* ·
